# Roundtable Discussions Instructions

These discussions are designed to provide an opportunity for conference participants to engage in dialogue with colleagues. Discussion and processing will be one of the most important aspects of the conference and the focus of these sessions.

## ***Discussion Leader:***

1. Allow time for group members to briefly introduce themselves.
2. Present an overview of the subject matter from prepared notes and key points for discussion.
3. Engage the group in dialogue regarding discussion topics.

## ***Facilitator:***

1. Solicits one group member to serve as Recorder/Presenter.
2. Keeps the group focused on the topic and discussion.
3. Summarizes the various ideas of the group on an ongoing basis for documentation by the recorder.
4. Monitors the time to ensure the group completes its discussion within the allotted time.
5. Time Management: You will have a total of 90 minutes for dialogue.
6. Please set aside the last 10-15 minutes to summarize your discussion and prepare a summary consisting of no more than 3-5 top points.

## ***Recorder and Presenter:***

1. Each group will present a brief (2-3 minutes) executive summary during the summation. Please keep a detailed recording of your discussion. This will be important to the preparation of a summary for the web site.

**The facilitator will present the executive summary followed by a brief Q&A.**

## ***New Grantee Orientation***

***Discussion Leader: Vernell DeWitty, PhD, RN***

***Session Overview:*** This session is designed to present an overview of basic NCIN operations for new grantees and people who are just beginning to act as program liaisons. This open dialogue will allow new grantees to ask questions and seek clarification regarding the Robert Wood Johnson Foundation's and the National Program Office's expectations. Participants will be encouraged to discuss challenges with program implementation and identify support needed to meet these challenges. The session will conclude with a discussion of program evaluation and data collection methodologies.

### **Session Objectives:**

1. Discuss the goals and objectives of the NCIN program.
2. Develop two to three strategies to use online resources to assist with grant implementation.
3. Identify NCIN evaluation and data collecting processes and procedures.
